

We are taking this opportunity to request your support in assisting the Suffield League with our annual Community Music Festival. The Suffield Music Festival is a once a year community celebration which provides the chance for all our organization and businesses to work together and raise awareness and in some cases, funds for their groups. One of our main goals is to provide opportunities for all of our community members, our organizations and businesses to work together. This allows these groups to grow and our town to strengthen as a family.

The League recognizes that this is not the best of times financially, but we also know that our small town spirit and loyalty is what will allow us to survive. The Suffield League is providing you with an opportunity to get to know our community and its citizens. Providing a sponsorship for the Music Festival, in turn provides advertising for you throughout the festival dates. With attendance of 5000 visitors from surrounding communities, this is a family friendly event offering something for everyone. Car Show, Mouse Races, Games, Great Food, 8+ Bands: Original Music-Tributes, and much more in store!

For further information on sponsorship & limited vending opportunities, or any questions, please contact Allyson Westover @ 330 677-0264 or blakew1@netzero.net.

**We look forward to seeing you at the
Suffield Music Festival on August 13 & 14, 2010.**
